

Paracel Laboratories Ltd. is pleased to present Element ClientConnect (ECC) to our clients; an online real-time interface which enables access to your analytical reports in a convenient and secure environment.

Once you have completed the form, please submit this to your company's Administrator for ECC. The Administrator will contact Paracel and we will forward your login information to the Administrator once we have you registered in our system. Paracel employs a secure web server and firewall to ensure the security of the ECC site, please keep your login information confidential to assist us in keeping your data secure.
